Stressed out by First Term Exams?

Don't fret...
Acadia Students' Union
has the perfect gift, just in time
for exams!!

Student Exam Stress Relief Kit

Another Service of the ASU

Dear Parents/Guardians of Acadia Students,

Acadia Students' Union organizes many of the events in which your son or daughter takes part throughout the school year. We provide quality programming that helps ease the transition into university life.

Stress Relief For \$23

The end of the term for your son/daughter is quickly approaching. This brings with it final exams which create stress and tension for those writing them. Acadia Students' Union would like to offer you an opportunity to show your son/daughter that you are thinking of them.

Our **Exam Stress Relief Kit** contains an assortment of goodies that can help a student through the stresses of exam time (popcorn, chocolate, deodorant, toothpaste, shaving razors, Tylenol, shampoo/conditioner and many other snack food, health care, and study aid items).

On the side of this pamphlet, we have provided a space for you to write a personal message for your son/daughter. We will attach it directly to your package.

Sometimes a note from home provides a student with much needed encouragement.

Provide your son/daughter the Fall Exam Stress Relief Kit - only \$23.00 each! **Proceeds from the sale of the kits will be directed to the following areas:**

- **Funding for House Councils**
- **Funding for ratified ASU Clubs**
- **SMILE Program**

Please fill out and mail the order form included on this pamphlet. Include a **cheque, money order, or VISA number (with expiry date)** payable to: **Acadia Students' Union.**

To ensure ample time for processing, orders should be received by **Friday November 14th**. The Fall Exam Stress Relief Kit will be delivered to your son or daughter during the week of **November 24th**, a week prior to exams beginning.

Take this opportunity to show your support for your son/daughter and to show them that you are thinking about them during this stressful time.

We, at Acadia Students' Union, appreciate your assistance in making this project a success!

Yours sincerely,

Dan O'Rourke
President
Acadia Students' Union
